

## WILL THE CURRENT LABOUR LAW REFORMS AFFECT DOING BUSINESS IN INDIA?

On 24<sup>th</sup> March, 2021 [CT Executive Search](#) and [Rödl & Partner India](#) held a joint webinar on the current legal and HR trends in India.

Top representatives from both companies, as well as [AHK India](#) and [Freudenberg Group](#) spoke about the investment climate, HR trends, the Union Budget 2020-2021, and the most recent changes to India's labour law.

**Dirk Matter**, Director, Indo-German Chamber of Commerce, Dusseldorf gave an overview of the current business climate in India, and shed more light on the opportunities for German companies looking to do business in the country.

**Christian Tegethoff**, Founder and Managing Director, CT Executive Search then spoke about the [current HR trends](#), executive search in India, how the pandemic affected recruitment, and what to expect in 2021 and beyond.

**Ursula Hoffmann**, Senior Consultant, Rödl & Partner India then took a close look at the long awaited [labour law reforms](#), shedding more light on what companies and employees can expect in the months to come.

**Georg Graf**, Regional Representative for India, Freudenberg Group then brought the webinar to a close by talking about the [practical aspects of doing business in India](#), giving those in attendance an insight into the first changes being witnessed as a result of the major reforms already being effected.

*"India remains an attractive market with huge perspectives. The demand for motivated, highly qualified talent for executive positions is picking up again. Webinars such as these keep our clients informed of what to expect when doing business in India." – Christian Tegethoff, Founder and Managing Director, CT Executive Search*
